

## Trade Dress Policy

---

The Hattiesburg Convention Commission has registered trade dress visual and audio rights on all of its premises. Contracted premises users may photograph or record their events on premises in accordance with the terms of their rental contract.

No commercial photography is permitted on or of any Commission-operated facility without a signed permit from management. This includes, but is not limited to video, photography, audio recordings of any attraction campus, building, outdoor space, event, décor, staff, guest, visitor, or any part of the site with an individual, group, and/or product for use in advertising, promotional, commercial or publication purposes.
